## Overview

### EOL15177 - Amended

Cisco announces the end-of-sale dates for the Cisco DNA Center Second Generation Appliance. The last day to order the affected product(s) is March 30, 2024. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

### End-of-life milestones

**Table 1.** End-of-life milestones and dates for the Cisco DNA Center Second Generation Appliance

| Milestone                                       | Definition  | Date               |
|---|---|--------------------|
| <b>End-of-Life Announcement Date</b>            | The date the document that announces the end of sale and end of life of a product is distributed to the general public.   | September 30, 2023 |
| <b>End-of-Sale Date: HW,License</b>             | The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.   | March 30, 2024     |
| <b>Last Ship Date: HW,License</b>               | The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.   | June 28, 2024      |
| <b>End of Routine Failure Analysis Date: HW</b> | The last-possible date a routine failure analysis may be performed to determine the cause of hardware product failure or defect.  | March 30, 2025     |
| <b>End of New Service Attachment Date: HW</b>   | For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.                         | March 30, 2025     |
| <b>End of Service Contract Renewal Date: HW</b> | The last date to extend or renew a service contract for the product.  | June 25, 2028      |
| <b>Last Date of Support: HW</b>                 | The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete. | March 31, 2029     |

HW = Hardware      OS SW = Operating System Software      App. SW = Application Software

**Note:** Refer below URL for software lifecycle support for Cisco DNA Center Generation two appliance. Cisco Catalyst Center software will be qualified and supported till March 31, 2029.

## Product part numbers

**Table 2.** Product part numbers affected by this announcement

| End-of-Sale Product Part Number | Product Description  | Replacement Product Part Number   | Replacement Product Description             | Additional Information |
|---------------------------------|--|---|---|------------------------|
| DN2-C480-8HDD                   | UCS C480 M5 Drive Module for 8x HDD                        | There is currently no replacement product available for this product.                               | -   | -                      |
| DN2-C480-CM                     | UCS C480 M5 CPU Module w/o CPU, mem                        | There is currently no replacement product available for this product.                               | -   | -                      |
| DN2-CPU-6152                    | 2.1 GHz 6152/140W<br>22C/30.25MB Cache/DDR4<br>2666MHz     | See the Product Migration Options section below for detailed information on replacing this product. | -   | -                      |
| DN2-CPU-8176                    | 2.1 GHz 8176/165W<br>28C/38.50MB Cache/DDR4<br>2666MHz     | There is currently no replacement product available for this product.                               | -   | -                      |
| DN2-CPU-8180                    | 2.5 GHz 8180/205W<br>28C/38.50MB Cache/DDR4<br>2666MHz     | There is currently no replacement product available for this product.                               | -   | -                      |
| DN2-CPU-I6238                   | Intel 6238 2.1GHz/140W<br>22C/30.25MB DCP DDR4<br>2933 MHz | There is currently no replacement product available for this product.                               | -   | -                      |
| DN2-CPU-I8276                   | Intel 8276 2.2GHz/165W<br>28C/38.50MB DCP DDR4<br>2933 MHz | There is currently no replacement product available for this product.                               | -   | -                      |
| DN2-CPU-I8280                   | Intel 8280 2.7GHz/205W<br>28C/38.50MB DCP DDR4<br>2933 MHz | There is currently no replacement product available for this product.                               | -   | -                      |
| DN2-HW-APL                      | Cisco DNA Center Appliance (Gen 2) - 44 Core               | DN3-HW-APL  | Catalyst Center Appliance (Gen 3) - 32 Core | -                      |
| DN2-HW-APL-L                    | Cisco DNA Center Appliance (Gen 2) - 56 Core               | DN3-HW-APL-L  | Catalyst Center Appliance (Gen 3) - 56 Core | -                      |

| End-of-Sale Product Part Number | Product Description                                     | Replacement Product Part Number                                       | Replacement Product Description                     | Additional Information |
|---------------------------------|---|---|---|------------------------|
| DN2-HW-APL-L-U                  | Cisco DNA Center Appliance (Gen 2) - 56 Core for Promos | DN3-HW-APL-L  | Catalyst Center Appliance (Gen 3) - 56 Core         | -                      |
| DN2-HW-APL-L=                   | Cisco DNA Center Appliance (Gen 2) 56-Core              | There is currently no replacement product available for this product. | -   | -                      |
| DN2-HW-APL-U                    | Cisco DNA Center Appliance 44 Core-- Upgrade (Gen 2)    | DN3-HW-APL  | Catalyst Center Appliance (Gen 3) - 32 Core         | -                      |
| DN2-HW-APL-XL                   | DNA Center Appliance (Gen 2)                            | DN3-HW-APL-XL   | Catalyst Center Appliance (Gen 3) - 80 Core         | -                      |
| DN2-HW-APL-XL-U                 | DNA Center Appliance (Gen 2)- 112 core for Promos       | DN3-HW-APL-XL-U   | Catalyst Center Appliance (Gen 3) Upgrade - 80 Core | -                      |
| DN2-HW-APL-XL=                  | Cisco DNA Center Appliance (Gen 2)                      | There is currently no replacement product available for this product. | -   | -                      |
| DN2-HW-APL=                     | Spare Cisco DNA Center Appliance (Gen 2) - 44 core      | There is currently no replacement product available for this product. | -   | -                      |
| DN2-MR-X32G2RS-H                | 32GB DDR4-2666-MHz RDIMM/PC4-21300/dual rank/x4/1.2v    | There is currently no replacement product available for this product. | -   | -                      |
| DN2-MR-X32G2RT-H                | 32GB DDR4-2933-MHz RDIMM/2Rx4/1.2v                      | There is currently no replacement product available for this product. | -   | -                      |
| DN2-MR-X32G2RW                  | 32GB RDIMM DRx4 3200 (8Gb)                              | There is currently no replacement product available for this product. | -   | -                      |
| DN2-MSTOR-SD                    | Mini Storage Carrier for SD (holds up to 2)             | There is currently no replacement product available for this product. | -   | -                      |
| DN2-PCIE-ID10GF                 | Intel X710-DA2 dual-port 10G SFP+ NIC                   | There is currently no replacement product available for this product. | -   | -                      |

| End-of-Sale Product Part Number | Product Description   | Replacement Product Part Number                                       | Replacement Product Description | Additional Information |
|---------------------------------|---|---|---------------------------------|------------------------|
| DN2-PCIE-IQ10GF                 | Intel X710 quad-port 10G SFP+ NIC                           | There is currently no replacement product available for this product. | -                               | -                      |
| DN2-PCIE-IQ10GF=                | Intel X710 quad-port 10G SFP+ NIC                           | There is currently no replacement product available for this product. | -                               | -                      |
| DN2-PSU1-1600W                  | Cisco UCS 1600W AC Power Supply for Rack Server             | There is currently no replacement product available for this product. | -                               | -                      |
| DN2-PSU1-770W                   | Cisco UCS 770W AC Power Supply for Rack Server              | There is currently no replacement product available for this product. | -                               | -                      |
| DN2-RAID-M5                     | Cisco 12G Modular RAID controller with 2GB cache            | There is currently no replacement product available for this product. | -                               | -                      |
| DN2-RAID-M5HD                   | Cisco 12G Modular RAID controller with 4GB cache            | There is currently no replacement product available for this product. | -                               | -                      |
| DN2-SD-64G-S                    | 64GB SD Card for UCS Servers                                | There is currently no replacement product available for this product. | -                               | -                      |
| DN2-SD19T61X-EV                 | 1.9TB 2.5 inch Enterprise Value 6G SATA SSD                 | There is currently no replacement product available for this product. | -                               | -                      |
| DN2-SD19T63X-EP                 | 1.9TB 2.5in Enterprise performance 6GSATA SSD(3X endurance) | There is currently no replacement product available for this product. | -                               | -                      |
| DN2-SD19T6S1X-EV                | 1.9TB 2.5 inch Enterprise Value 6G SATA SSD                 | There is currently no replacement product available for this product. | -                               | -                      |

| DN2-SD-64G-S-                   | 64GB SD Card for UCS Servers                | There is currently no replacement product available for this product. | -                               | -                      |
| DN2-TPM2-002-                   | Trusted Platform Module 2.0 for UCS servers | There is currently no replacement product available for this product. | -                               | -                      |

## Product migration options

Customers may be able to use the Cisco Technology Migration Program (TMP) where applicable to trade-in eligible products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at:

[https://www.cisco.com/web/partners/incentives\\_and\\_promotions/tmp.html](https://www.cisco.com/web/partners/incentives_and_promotions/tmp.html).

Customers may be able to continue to purchase the Cisco DNA Center Second Generation Appliance through the Cisco Certified Refurbished Equipment program. Refurbished units may be available in limited supply for sale in certain countries on a first-come, first-served basis until the Last Date of Support has been reached. For information about the Cisco Certified Refurbished Equipment program, go to: <https://www.cisco.com/go/eos>.

Service prices for Cisco products are subject to change after the product End of Sale date.

The Cisco Takeback and Recycle program helps businesses properly dispose of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to:

[https://www.cisco.com/web/about/ac227/ac228/ac231/about\\_cisco\\_takeback\\_recycling.html](https://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html).

---
