Overview

EOL13841

Cisco announces the end-of-sale and end-of-life dates for the Cisco Evolved Programmable Manager 4.0, and 4.1. The last day to order the affected product(s) is December 17, 2021. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

End-of-life milestones

Table 1. End-of-life milestones and dates for the Cisco Evolved Programmable Manager 4.0, and 4.1

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end of sale and end of life of a product is distributed to the general public.	June 18, 2021
End-of-Sale Date: App SW	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	December 17, 2021
Last Ship Date: App SW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	March 17, 2022
End of SW Maintenance Releases Date: App SW	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	December 17, 2022
End of New Service Attachment Date: App SW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	December 17, 2022
End of Service Contract Renewal Date: App SW	The last date to extend or renew a service contract for the product.	March 14, 2024
Last Date of Support: App SW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	December 31, 2024

HW = Hardware OS SW = Operating System Software App. SW = Application Software

Cisco Evolved Programmable Manager Security Vulnerability Resolution for Critical or High Security impact rating

- Beginning July 2022, as per [Cisco Security and Vulnerability policy](#), Cisco will make commercially reasonable effort to address Critical or High security vulnerabilities in the impacted Cisco Evolved Programmable Manager offering until the date of End of Software maintenance.

- Security and Vulnerability patches for all active Cisco Evolved Programmable Manager releases (i.e. General Available releases that didn't reach the EoSWM) will have a cadence of 6 months aligned with the First Customer Shipment (FCS) of the most current major /minor releases (X.Y).
