Retraction of End of Sale and End of Life announcement for the Cisco Webex Board

September 1, 2021

On August 27th, 2021, Cisco issued four EOL announcements: EOL14412, EOL14411, EOL14410, EOL14409; for the Webex Board 55S,75S, 85S, and TAA versions published on our website and through email.

The announcements were flawed in time and content hence, such notices have now been retracted from our website.

Cisco continues to be committed to the Webex Board series as reflected in our portfolio, continuous investment in feature development and experience enhancement for the category.

We apologize for the inconvenience this may have caused and we invite you to join WebexOne to hear more about the future of Webex Board.
